No. 7

Roberta Sluder to Present Recital

Roberta Sluder, a violin music major, will present a graduation recital at 3 p.m., Sunday, February 19 in the auditorium. The recital fulfills a portion of the sophomore's graduation requirements.

The program will include selections from the baroque, classical, romantic, and contemporary periods. Roberta will play "Concerto in G" by Antonio Vivaldi; "Romance in F" by Beethoven; "Minuet" by Kreisler-Porpora; "Concerto in D Major" by Mozart; "La Precieuse" by Kreisler-Couperin; "Dance of the Marionette" by Felix Winteritz; "Berceuse" by Grieg; and "Bolero" by C. Burleigh.

Roberta is the daughter of Mr. and Mrs. Carl L. Sluder of Joplin.

Former Student Wins Bronze Star

Ronald Mosbaugh, former student here, received the Bronze Star on January 8 from General Wallace Greene, commander of the Marines in Vietnam. Mosbaugh, a hospital corpsman, is stationed with the First Marine Regiment. He won the Bronze Star in recognition of the performance of his duties while his company was engaged in a battle with the Viet Cong.

'Finian' Replaces 'Birdie' As Players Alter Spring Musical Production

"Finian's Rainbow," by Norman Panama and Melvin Frank, has been named to replace the College Players production of "Bye Bye Birdie," formerly scheduled. Milton Brietzke and Duane Hunt, directors, confirmed the new try-out dates as February 14-16, with the acting section scheduled for Tuesday, February 14 from 1:30 on, in the Little Theatre; singing, 2:30-4:00 Wednesday in the auditorium; and dancing, 1:30 on, Thursday, in the Little Theatre.

"Finian's Rainbow" deals with the fantastic theory which led Finian McLonergan of Glocca Morra, Ireland, to summon the

magic of the leprechauns and the ungrounded sympathy of his daughter, and to harness all his dreams of becoming a millionaire, as all Americans are, and careen into Rainbow Valley, in the State of Misitucky, U. S. A., near Fort Knox.

Just as Finian's aspirations are materializing, the malice of an angry leprechaun causes a temporary reversal of luck.

The production includes hit songs "How Are Things in Glocca Morra?" "Old Devil Moon," and "If This Isn't Love." Scripts and scores will be available in the library.

Assisting in the recital will be Mrs. Porter and the college vocal ensemble.

Thirty-Six Students Graduate at Mid-Year

Thirty-six MSC students have completed the necessary requirements for graduation at mid-year. The degrees will be awarded at the June commencement. The list released by Miss Margaret Mitchell, registrar, includes:

Associate in Business degree, Judith Patterson; Associate in Science degree, Robert Lambeth.

Associate of Arts degree, Donald Adams, George Antle, Glen Barnett, Anita Baum, Jaqueeta Casperson, James Christiansen, Jimmie Clanton, Linda Coleman, Samuel Davis, Jerry Lee Douglas, Michael Franklin, David Graber, Gary Hertweck, Michael Hutchison, Samuel Jones, Dennis Lea, Bonnie Lewis.

Perry McCormick, Walter Meador, Jr., Jimmie Newman, Sharon O'Dell, Steve Pauk, Eleanor Post, Richard Scott, Michael Siskowski, Terry Small, Charles Smith, Keith Spencer, Dennis Triplett, Jill Walters, Steve Wetherell, Patricia Wilson, Gayle Yaryan, Myrna Yaryan.

Carolyn Buffington, James Gilbert, Henry Hanover, and Randal Switzer graduated at the close of the summer session, 1966.

MSC Enrollment Registers 1,450

Dr. Floyd Belk, director of admissions, announced that enrollment for the spring semester had reached 1,250 February 1, when two days were left for late enrollees.

Approximately 200 persons have registered in night division classes, according to James Maupin, chairman of that division.

The 1,250 daytime mark is 210 over the comparable figure for last year's second semester enrollment of 1040. The total for last semester, including day, evening, and technical divisions was 1,834.

James Crandall, Janice Keeling Win Lions' Peace Essay Contest

James Crandall and Janice Keeling, MSC freshmen, won first and second place, respectively, in the Joplin Lions International \$50,000 peace essay contest, January 26. The essays will represent the Joplin Lions' clubs in the District 26E contest. The international winner will receive \$25,000 in education or a career assistance grant. Locally, James received a certificate, a watch, and a \$100 savings bond; Janice received a certificate, a watch, and a \$75 savings bond.

Danforth Lecturer to Discuss Religious and Educational Subjects

Dr. McCoy

Dr. Charles S. McCoy, professor in The Graduate Theological Union and the Pacific School of Religion, Berkeley, California, will speak at Missouri Southern March 2 and 3, at several assemblies.

His lectures will be held the third hour on March 2, and the fourth and sixth hours March 3.

Dr. McCoy will present a convocation address, "God is Dead: The Future of This Illusion." Other topics he will discuss are "The Emergency Agony of Higher Education," "Power, Ethics and Policy," and "The Divine Disguise: Theological Reflections on Art."

The Danforth Foundation and the Association of American Colleges are sponsoring Dr. McCoy's visit. The Danforth Foundation also sponsored the visit of John Akar, from Sierra Leone, Africa, earlier this year.

Dr. McCoy, who is originally from Laurinberg, North Carolina, earned his Ph. D. in theology and ethics from Yale University, in 1952. He spent the past year with research at the universities of Heidelberg and Basel. As an ordained Methodist minister, he has served active duty as a chaplain. Since 1959, he has been with the Pacific School of Religion.

Dr. McCoy has served on the teaching staffs of Presbyterian Junior College, North Carolina State College, New Haven State Teachers College, Yale University, and the University of Florida.

The professor has served on the National Advisory Committee of the Danforth Foundation and as a member of the Supervisory Commission of the Danforth Studies of Campus Ministry. He has written articles for several distinguished journals and religious publications and is editor of "Humanity — Critique and Commitment."

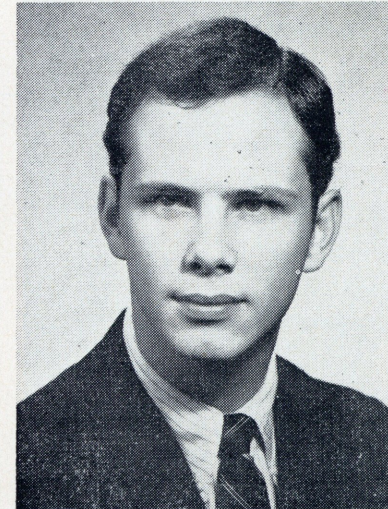

Toman Resigns Grid Position

Head Football Coach Ron Toman resigned January 31 to accept a new position on the Wichita State University coaching staff. Before leaving, Toman said that he would miss the administration, faculty, and players.

The University of Missouri graduate will be working as top assistant to Wichita's Coach Boyd Converse next spring.

In 1964, Toman's first year at MSC, he boosted the Lions to a 6-3 season. In 1965 he coached the Lions through a perfect season, 10-0, which gave them national recognition and almost a bowl game. The 1965 Lions were ranked No. 3 in the nation by the National Junior College Athletic Association. The Lions finished the 1966 season with a 7-3 record.

In three years time, Toman's Lions have tallied up 23 wins and six losses.

What Is It?

Student Union or Play Pen?

Have you been in the MSC Student Center lately? Or, have you even walked through it? Once you fight your way through the discarded paper and trash littering the floor, and find (or steal) a seat, you must be constantly on the alert to keep from being hit by cups, books, and the other as yet unidentifiable flying objects that fill the air. If you survive five minutes, you begin to wonder if you haven't wandered into the romper room by mistake.

Visitors to the romper room expect to find it in disorder. Visitors to the college student center, however, do not expect to find it looking like the campus dump.

Granted, the student center is a place to relax, but relaxation doesn't mean license to attempt to re-create Dante's inferno. Waste cans and ash trays are there and it doesn't call for much more energy to use them than it takes to throw trash across the room.

—D.M.H.

Kerr Controversy

Threatens Economic Education

The sudden firing of University of California President Clark Kerr warrants attention. The University of California has always been a leader in education, and its nine campuses are among the best in the nation.

One of the basic arguments between Dr. Kerr and Governor Ronald Reagan is cutting the University budget and imposing tuition on the students.

Dr. Kerr's argument is that many qualified students, capable of learning at good institutions, are unable to attend those institutions because of financial strain. In California, due to the work of Dr. Kerr and others like him, the financial factor is becoming less important in higher education at the University. Imposing tuition would be a major step backward in California as well as the rest of the nation.

Clark Kerr is an expert on education. His dismissal by the Board of Regents is a tragedy as well as a black mark on American education.

—B.K.

Dr. Oliver talks with Registrar Margaret Mitchell and Director of Admissions Dr. Floyd Belk during his inspection of the Admissions Office.

North Central Examiners View MSC

President Billingsly meets with the North Central team at the beginning examining session held at the new campus. Shown reviewing the new catalog are Dr. Sidney Titelbaum, Dr. F. E. Oliver, Committee Chairman Dr. Alan O. Pfnister, Dr. Billingsly, and Dr. Leslie Dunlap.

Dean Fred Cinotto reviews curriculum plans with Dr. Titelbaum during their conference on curriculum co-ordination.

Librarian Loretta Frazier confers with Dr. Dunlap after his scrutinization of library facilities. Plans for the new library, which is nearing completion, were also discussed.

Examiners pause for a luncheon visit with 12 student leaders during the last day of their visit. Shown are Cecil Thornhill, Cheryl Thompson, Linda Larson, Anne Frkovitch, Dr. Dunlap, Dannie Fieker, Paul Cooper, and Dr. Pfnister. Opposite are Terry Helton, Mike Schoeberl, Gary McGrew, Kay Ann Floyd, Pat McCulloch, Ray Mathis, and Dr. Titelbaum.

In addition to the areas indicated above, the examiners considered other phases of Missouri Southern College and interviewed the Administrative Council, Curriculum Committee, Division Chairmen, the Board of Trustees, and the Finance Director.

The team will submit a report

of their observations and of their evaluations of facilities here. Relying partially upon the recommendation of the committee, the North Central Association will make the final decision regarding MSC's third year during their annual meeting in Chicago this coming April.

President Leon Billingsly and Dean Fred Cinotto are scheduled to appear before a committee in Chicago to answer questions concerning MSC and to explain any pertinent changes made since the examining team's visit.

If NCA approves, the third year will be added this fall.

Federal College Grant Allots MSC \$20,702

Missouri Southern will receive \$20,702 from \$341,878 in federal funds, which the Missouri Commission on Higher Education has allotted to various Missouri colleges and universities.

The grant will pay \$16,012, about 20 per cent of the cost of the undergraduate teaching facilities, according to President Leon Billingsly. Dr. Billingsly said that the remaining \$4,690 will finance about 50 per cent of the cost of closed circuit television equipment.

Tape recorders, slides, and projectors will be purchased for the undergraduate program. Audio-visual facilities will be purchased as part of the closed circuit television equipment.

1956 Graduate Dies In Helicopter Crash

Chief Warrant Officer A. J. Bottom, 1956 graduate of Joplin Junior College, was killed in Vietnam recently while serving in the United States Army. Mr. Bottom, who received the Air Medal for combat aerial support of ground missions in Vietnam, was killed when his helicopter crashed while on a recovery mission.

After graduation from Webb City high school, Mr. Bottom served four years with the Air Force. Returning from active service, he attended Joplin Junior College and received his Associate of Arts degree in 1956. Mr. Bottom joined the Army about four years ago. He had been in Vietnam since October of 1966.

He was the son of Mrs. Edith Bottom of 408 North Roane street in Webb City. His widow, two sons, and a daughter live in Rantoul, Illinois.

Ozark Artists Guild To Present German Film

"M," "Murderer Among Us," a film in the Spiva Art Center series, will be presented at 7:30, Tuesday night in the MSC Little Theatre.

Directed by Fritz Lang, the German film is based on the actual case of Peter Kurten, a psychotic murderer who terrorized the city of Dusseldorf during 1929 and 1930. More than a mere thriller, "M" develops the idea that society is partially responsible for crime.

Crowder Stifles MSC Homecoming

Missouri Southern's 1967 Homecoming spirits were slightly dampened February 2, as the out-manned, hard-playing Lions went down to Crowder College Roughriders, 93-64.

Magazine Sponsors Contest for Poets

For all you poetry lovers, here is a chance to make your poems a success. College Arts magazine is sponsoring a \$2,000 poetry contest, open to all poets.

Carl T. Steppan, promotions manager, said that the prize winners will have their own book of poetry edited and published by the JTC Publishing Company.

Those interested should write: Poetry Contest, Box 314, West Sacramento, California, 95691.

Director Howard L. Boorman, of the research Projects on Man and Politics in Modern China, pauses briefly with three MSC social science instructors and students at the Kansas City Conference on China. Shown are Harry Gockel, Tracy Laughlin, Cheryl Peck, Professor Boorman, Mrs. Annetta St. Clair, and Mrs. Julie Hughes.

Chinese Conference at UMKC Attracts MSC Faculty, Students

Three faculty members of the Social Science Department and several students from Missouri Southern College attended the Kansas City Conference on China on the campus of the University of Missouri at Kansas City, January 13 and 14. The conference was sponsored by the University and the American Friends Service Committee.

Attending the session were Harry C. Gockel, chairman of the division of Social Science, and Mrs. Gockel; Mrs. Julie Hughes and Mrs. Annetta St. Clair; Roger Brown, Phil Doran, Linda Harris, Linda Larson, Tracy Laughlin, and Cheryl Peck.

Pointing out that there were many leading experts and educators in the fields of diplomacy and journalism participating, Professor Gockel reported that Professor Howard L. Boorman, director of the Research Project on Man and Politics in Modern China, Columbia, New York, who started the conference, stressed that the revolution in Red China had a definite Chinese character in spite of Mao Tse-tung's demand for Marxist purity.

The MSC teacher said that Dr. George Beckman, of the History Department of the University of Kansas and author of "The Modernization of China and Japan," emphasized that the Chinese are determined to achieve sufficient agricultural production with the

land it has under cultivation but lack capital to make other land productive.

Charles Taylor, Canadian journalist and author who spent 18 months in Peking, felt that Red China will go revisionist slowly and even should there be a victory for the forces of Mao in the present crisis, it is not likely that her foreign policy will fundamentally change, but continue to pose a threat to the Western world.

Concerning the attitude of present Red Chinese leaders, Taylor stated: "The Chinese have a tremendous, profound, and almost traumatic humiliation about the way their country was treated by the Western powers from the time of the Opium Wars." This wounded pride is an important political fact which helps explain the dogmatism and apparent unreasonableness of the Chinese today, he stated.

Robert Barnett, deputy Assistant Secretary of State for Far Eastern Affairs and a career diplomat who went to school in China in his youth, defended United States policy towards Communist China.

All four speakers had one common opinion concerning China. "It is impossible to have accurate information as to what is going on in Red China today."

The conference drew 2,000 or more educators, students, and general public in each of five sessions.

Four Missouri Southern Fighters Reach Finals in Golden Gloves

Four Joplin fighters attending first semester classes at Missouri Southern reached the finals of the annual Joplin Globe Golden Gloves January 28 at Memorial Hall. Approximately 1,000 fans were turned away as a capacity crowd witnessed the event. The four novice fighters from Southern were Arnold Elliott, a southpaw from Mountain Grove; James Remillard, a stocky puncher who contributed one of his best performances to the Gloves this year; Gary Maufas, a guard and linebacker for Ron Toman's football Lions; and Charlie Reed, who also starred on the football team last fall.

Presented the Col. Dave Remillard Sportsmanship Trophy this year was the younger son of the late Remillard, 157-pound James Remillard. The award is given each year to the fighter, win-or-lose, who displays the best sportsmanship during the tourney. James also won the novice middleweight championship with a decision over his teammate Arnold Elliott of Joplin, 159.

Willie High, a vicious contender from Springfield, won the novice heavyweight championship over Southern's Gary Maufas, 195. High, a strong but rangy contender who tips the scales at 195, is a former high school grid star from Springfield Central, who has made more than a few of Joplin's finest football players bite the dust.

Stocky Charlie Reed, 167, the other fighter who attends MSC, reached the finals with a win over Barry Benner, 172, of Nevada, but was defeated the same night in the finals by Troy Higgins of Carthage, 171.

The most amusing bout of the evening was the fight between Cat Johnson of Joplin and Tony Fields of Quapaw. Both boxers weighed in at 45 pounds. Although no decision was reached, fans supported the contenders with \$41 in coins tossed into the ring.

State Library Offers Summer Internships

According to the Missouri State Librarian-Recruiter, persons interested in summer jobs in a public library may investigate library internships by consulting a local librarian, or by writing Miss Syd Shinn, Librarian-Recruiter, Missouri State Library, Jefferson City, Missouri, 65101.

Basketball queen Kerry Bay, right, pauses between classes with her attendants—Sally Anderson, Judy Sage, Mary Steele, and Cheryl Thompson. Crowned at assembly ceremonies last Thursday, Kerry reigned over the game and dance that evening.

Ft. Scott Overpowers MSC, 100-73

Fort Scott's press defense and the deadly accuracy of their pivot men combined to turn back the Southern tide 100-73 January 30 here.

Mark Ferrell, the starting center, made life miserable for the southern defenders by hitting everything he attempted. Meanwhile the Fort Scott defense prevented the Joplin netmen from scoring by forcing them to make bad passes and hurried shots.

When Coach Bob Eshelbrenner called Ferrell to the sidelines, Gus Chatmon, a 6-7 sophomore, took over at the pivot and started firing from close range. He scored on a variety of shots as he shot over the Lions and drove around them for layups.

Chatmon, who sports a goatee,

connected on nine field goals and three free tosses to lead all scorers with 21 points.

Greg Scheurich, a reserve guard, and Alan Steele, a 6-3 forward, each scored 11 points to top Southern's attack.

Southern led only twice in the contest, 2-1 and 5-4, before the Greyhounds pulled away to a 10-5 lead with three minutes gone. With only 13 minutes left, Fort Scott had a nine-point spread, 18-9. The score midway through the first half was 32-10 and Eshelbrenner started going to his bench. The Lions played catch-up the rest of the half and managed to trim Fort Scott's lead to 54-41 at intermission.

With 17:20 left in the second half, the Greyhounds had opened up a 67-45 bulge, after which the two teams played on almost even terms.

The Lions sustained one injury in the game which may have cost them the services of guard Mike Eagon, a 6-1 sophomore from Lamar, for the rest of the season. Eagon sustained a pulled ligament in a knee during the first half.

Lions Log First Win Over ORU

With his left wrist in a cast, Alan Toler came off the bench to score 30 points in leading the Lions to their first victory of the season against Oral Roberts U. junior-varsity, on January 24, by a score of 119-84. Toler hit 12 of 15 from the field and six free-throws. A total of six Lions scored in double figures in the rout over the under-classmen from Tulsa.

Wilson Lounis, a sophomore guard from Carthage, was second for the Lions with 19; Greg Scheurich scored 16; Allen Steele scored 13; Greg Fulton hit for 13; and Mike Eagon added 11. David Wagonblatt was high-point for ORU with 26. MSC racked up a total of 46 rebounds, their high for the season, Greg Fulton leading with 12. The win set the Lions' season record at 1-13.

Oral Roberts led only twice in the contest. Jim Bates hit a game-opening free throw for a 1-0 lead. Southern then took command, but minutes later, Wagonblatt hit a field goal to put ORU in front by a score of 14-13. But Southern never slackened and by half-time had the score at 51-35.

ORU came within 20 points three times during the second half but Southern, sensing their first win, never let up in making a rout of the contest.

Roughriders Race Past Lions, 124-84

The Roughriders of Crowder College, with eight players scoring in double figures, thumped the Lions, 124-84, January 21, at Neosho.

Southern's high-jumping Greg Fulton captured game honors with 26 points. Jim Tillman, a 6-6 forward for Crowder, led the Roughriders in scoring with 16 points, while David Pike of Crowder tallied 15.

The loss gave Missouri Southern an 0-13 season record, and Crowder their twelfth win against four losses.

The winning team in the Second Annual All-School Handicap Bowling Tournament, January 15, includes Sandy Lundien, Doug Corner, Celia Meyers, and Pat Curry. Individual high series winners were Curry with 559 and Lundien with 480. The total team score was 2,467.

Panthers Outfight Feline Foes, 85-63

The Neosho County Community Junior College Black Panthers caught fire midway through the second half and finished strong to hand MSC Lions their fourteenth defeat of the season, 85 to 63, January 28 there.

The Lions were hot at the outset as they went ahead 6-0, but two free throws cut the lead to 6-2 and the Panthers went into a press defense.

The defense rattled the Lions and allowed Chanute to leap to an 8-6 advantage, playing on Lion errors. A fielder tied the score at 8 all, but Richard Marriot rimmed a charity with 12 minutes left in the first half to put the Black Panthers ahead for good, 9-8.

The lead was increased to eight points, 29-21, with less than a minute remaining, but Greg Fulton hit twice from the floor to cut the deficit to four points, 29-25. Marriot hit a driving layup, then followed with a steal and another field goal to reopen the eight-

point advantage, 33-35. Southern's Alan Toler was fouled at the buzzer and hit a pair of free shots.

Fulton sparked Southern at the outset of the second half as the clubs traded baskets. With about 16 minutes to play, Toler hit from the field and Fulton added one from the charity stripe as Southern cut the margin to three points, 41-38, but that was as close as they got, as Skip Brandon, Rich Williams, Richard Marriot, and Larry Jimmerson all caught fire and led Chanute to a 22-point victory.

Southern's Alan Toler captured game scoring honors with 18 points.

Greg Fulton, MSC's high-jumping 6-3 freshman forward, tallied 15 points to aid the Lion's cause.
